Lap-Chee College
Round I Re-admission 2018-2019

Lap-Chee College aims to promote whole-person development by providing a free, intellectual, cultural and social environment for students. It is believed that a 1:1:1 ratio between local, mainland and overseas students, as well as a 1:1 ratio between undergraduate and post-graduate students could be one of the approaches in fulfilling these aims.

The re-admission criteria, process and schedule, are described as follows.

1. **Re-admission criteria**

    The re-admission criteria could be divided into two categories, need-based and merit-based.

These include, but not limited to, academic achievements, extracurricular achievements, community engagement and commitments to the mission and vision of our college. Moreover, the track records of participation in college activities provided and good citizenship in the college will also be measured.
